2367

Dated 29-7-55

---

[Despatch Abstract,]

N.E.S - South Kanara Dt - Mangalore Lahore shed at Kumbla - Same for repairs etc - Cancelled - Distn and selling materials in public auction Proposals of the Collector - Approved.

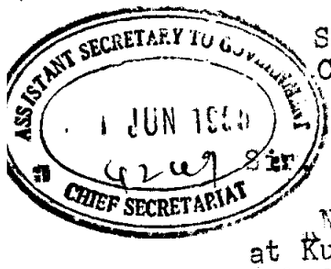
D.Dis.3856-55. S.Kanara Collector's office,
Mangalore dated 7.6.55.

From

Sri M.G.RAJA RAM,I.A.S.
Collector of South Kanara.

To

The Joint Secretary to Cover ment,
Public (RDP) Department,
Fort St. George,Madras 9.



NATIONAL EXTENSION SERVICE--Manjeshwar Block--Lahore shed at Kumbla--Not fit for use as an Agricultural Depot--Report-Submitted.

---

The Lahore shed at Kumbla was taken over as per Government Memo No.71582 D.II.53.6 dated 1.3.54 with the intention of rising it as an Agricultural store for the National Extension Service Manjeshwar Block. Before the Lahore shed was taken over, its roofing was found to be leaking and repairs for the same at an estimated cost of Rs.3300/- were sanctioned in G.O.492 Rural Welfare Department dated 7.4.52. Further in order to make it fit for use as an Agricultural Depot cum godown, improvements to it at an estimated cost of Rs.3500/- were also sanctioned in G.O Ms.No.2051 Public (RDP) Department dated 29.10.54. These works however have not been taken up so far.

2. The District Agricultural Officer South Kanara was informed that the Lahore shed had been taken possession of for the purpose of an Agricultural store and that he might take action to open the Agricultural Depot for Manjeshwar Block which was sanctioned in G.O.Ms.No.2557 Public (RDP) Department dated 21.12.54. But after inspecting the Lahore shed he has represented that the shed will not be useful for the purpose of an Agricultural store even after the repairs sanctioned in the Government orders referred to above are executed at the total cost of Rs.6800/-. He has furnished detailed reasons in this regard in his report No.A2.5240-54 dated 19.4.55. A copy of his report is enclosed for the information of the Government. The Block Development Officer,Manjeshwar who has also inspected the Lahore shed endorses his view. They recommend that either the question of repairing and renovating the Lahore shed may be dropped and the materials available auctioned, or the shed may be reconstructed with latrite walls and tiled roofing. I have seen the Lahore shed. There is no point in retaining some of

these old Galvanised iron sheets which go rusty and leak badly. I agree with the Dt.Agricultural Officer and Block Development Officer that repairs to the Lahore shed at that cost are not worthwhile. I therefore recommend that the sanctions accorded for the repairs and improvement of the Lahore shed in G.O.No.492 R.W.D dated 7.4.53 and 2051 Pub.(RDP) dated 29.10.54 may be cancelled and sanction may be accorded for dismantling the shed and selling the materials in public auction. Reconstruction of the shed with tiled roofing and walls does not appear necessary.

Yours faithfully,

8.6.55

For Collector.

Copy to the Block Development Officer,Manjeshwar for information.

IC/8.6.55.

Copy of letter No.A2.5240/54 dated 19.4.55 from the Dt Agricultural Officer,Mangalore to the Collector of S.Kanara.

Sub: NATIONAL EXTENSION SERVICE--Manjeshwar Block- Opening of the Agrl depot at Manjeshwar--Conversion of Lahore shed into a godown--

Ref: Your M2.3856-55 dated 15.3.55.

---

I am resubmitting herewith the file sent by you after inspecting the Lahore shed at Kumbla.

On inspection of the Lahore shed I find that it is not fit to be converted into a godown, where seeds insecticides and pesticides etc have to be stocked and staff posted to conduct sales.

It is seen that an amount of Rs.3500/. has been sanctioned by the Government towards repairs charges to the floor of the Lahore shed raising partition walls inside the shed and for construction a watchman's shed.

I also learn, on enquiry with the Block Development Officer, Manjeshwar that another sum of Rs.3200/- has been sanctioned for reopening the roofing viz replacement of old sheets and painting etc. Thus it is proposed to spend about Rs.6700/- on this shed.

The proposed repairs and renovations at a cost of Rs.6700/-

if done, will be a waste of money, as the shed will not serve the purpose of a godown. The Lahore shed, with zinc sheet roofing and want of ventilation, will be too hot a place for a seed store and for human occupation.

I therefore suggest that the question of repairing and renovating the shed may be dropped and the materials available auctioned.

I further suggest that either the Lahore shed may be reconstructed with tiled roofing, and walls with proper ventilation or a private building taken on hire for the time being to serve as a godown.
